

Update on EGEA transaction

1

Reggio Emilia, 29 September 2023 – In view of the completeness of the information required by the CONSOB's issuer regulation, following the press articles published today, Iren Spa confirms that it has been chosen as "preferred bidder" by EGEA in the process of selling assets and equity stakes.

EGEA considered Iren's proposal complete and consistent with the negotiated settlement procedure of the crisis.

The negotiation phase is still underway and will conclude in the next few weeks.
