*Reggio Emilia, 3<sup>rd</sup> July 2018* – Following the extension of the deadline referred to in the press release published on 29<sup>th</sup> June 2018, the parties have decided to proceed with the signing of the final contract by resolution of the Board of Directors of IREN S.p.A, resolved upon yesterday, and with resolutions, today, of the Turin City Council and the competent administrative bodies of the other companies of the IREN Group involved in the operation.

The approval of the final contract is part of the commitments that the parties had made with the preliminary agreement referred to in the press release published on 29<sup>th</sup> March 2018.

The signing of the final agreement is expected by 15<sup>th</sup> July 2018.

The transaction is considered to be a significant operation with related parties, given that the Municipality of Turin indirectly holds a 16.33% stake in the share capital of IREN S.p.A, through Finanziaria Città di Torino Holding S.p.A.

The transaction was subject to a review with the involvement of the Committee for Transactions with Related Parties that confirmed its favourable opinion on 29<sup>th</sup> June 2018.

For further information on the transaction, reference should be made to the updated Prospectus (which amends the version published on 29<sup>th</sup> March 2018) which will be published and filed in compliance with the terms established by law.
